There was a printing error in the Regulations, 2009. Please note the following changes on pages 20 and 21:

§5.4 – Changes to the Licensed Premises should read:

Any licensee proposing to expand or reduce the size of the licensed premises or establishment must submit a written request to the Board along with a copy of the proposed plans. The licensee must obtain the Board's approval of the plans before any construction or alteration begins. Upon completion of the modifications and the release of any necessary permits, zoning approval, or any required inspections, the board will issue final written approval.

Any licensee proposing to substantially modify the interior or exterior of the premises must submit a written request to the Board along with a copy of the proposed plans. Modifications of any interior walls or alterations that change the size of rooms within the establishment required Board approval.

§5.4.1 – Change of Legal Name of Person Appearing on a License should read:

A person appearing on the license who changes his or her legal name either by marriage, divorce or other legal process, must notify the Board in writing within 5 days of the change and provide supporting documentation of the name change. The Board will issue a corrected license upon receipt of the required documentation and payment of the fee.
